

Product Code: GUARD-CAM-LED

Description: 16W LED Floodlight with Built in Camera, PIR & Voice Alert c/w Integrated 8GB SD Recording Device

General Information	
Dimensions (mm)	315 x 190 x 180
White Balance	Automatic
Exposure Control	Automatic
PIR Angle (°)	160
PIR Range (m)	<12
Warranty (Years)	3
Supply & Power	
Supply Voltage (V AC)	100 - 240
Current Consumption (Quiescent)(mA)	5
Current Consumption (A)	0.4
Construction	
Materials	ABS
Finish	Black
Mounting	Surface Only
Recording	
Recording Storage Device	SD Card (32GB Max. Class 10)
Video Resolution	HD 720p
Recording Format	AVI
Luminaire Output	
LED Lamp Type	16 x SMD 2835
Mains Luminous Flux (Lm)	1500
LED Life (Hours)	40000
Environment	
Ingress Protection	IP44
Operating Temperature (°C)	-20 to +40
Features	Supplied
Capture up to 200 Twenty Second Video Clips with 8GB Card Supplied Detect the intruder, Floodlight the Area and Initiate HD Recording Deliver a Pre-Recorded Audible Warning	User Manual, 8GB Micro SD Card, Mounting Screws & Wall plugs
